Bind store

SIHI supports binding **Shopify, WooCommerce, CartPanda, Ebay, Yampi, Offline Store**. You can choose to bind according to your needs shop.

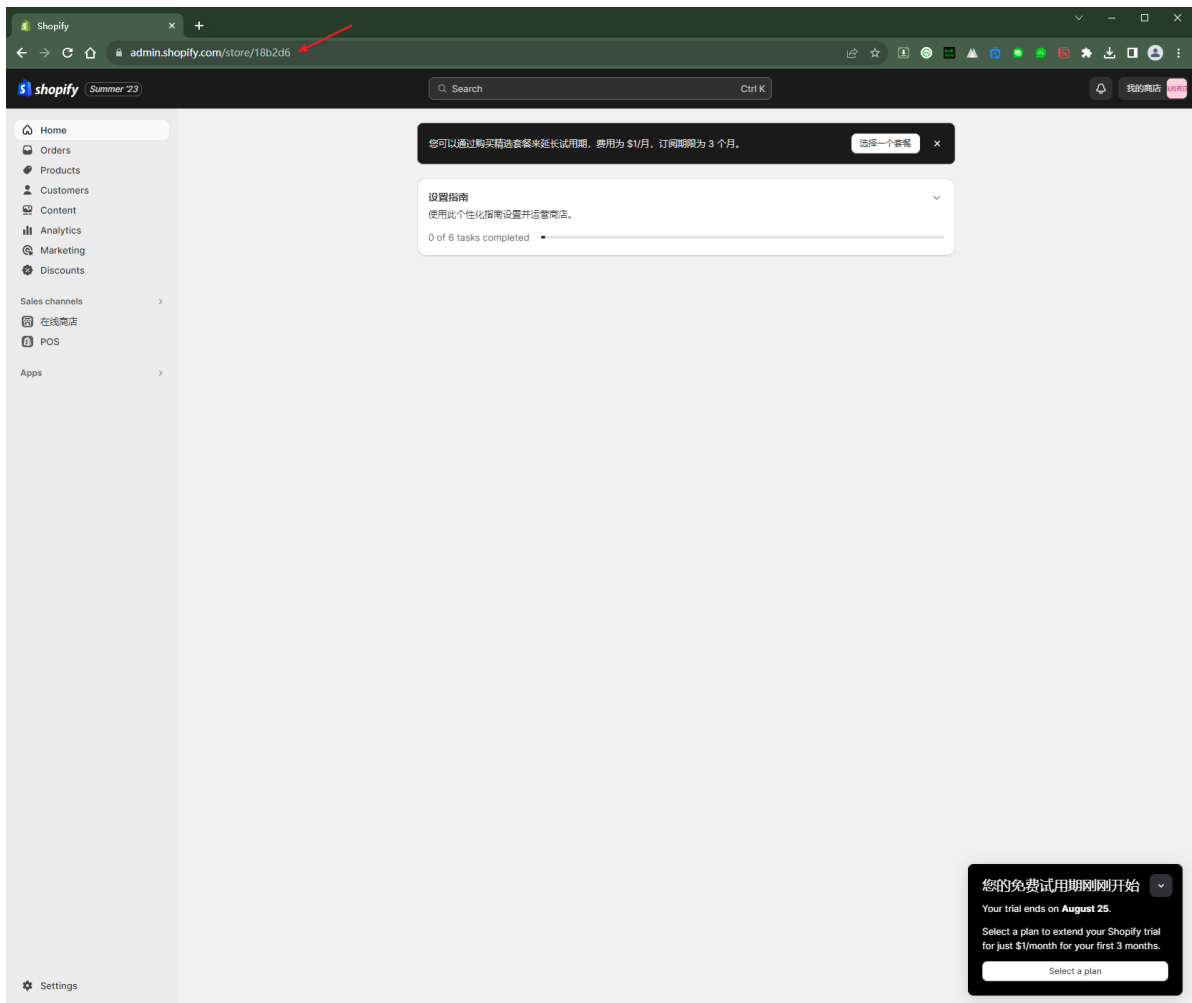

Warning: Please bind your shopify (cartpanda, WooCommerce, Yampi) store immediately after logging in, otherwise SIHIdropshipping will not work properly!!!

The picture shows binding shopify:

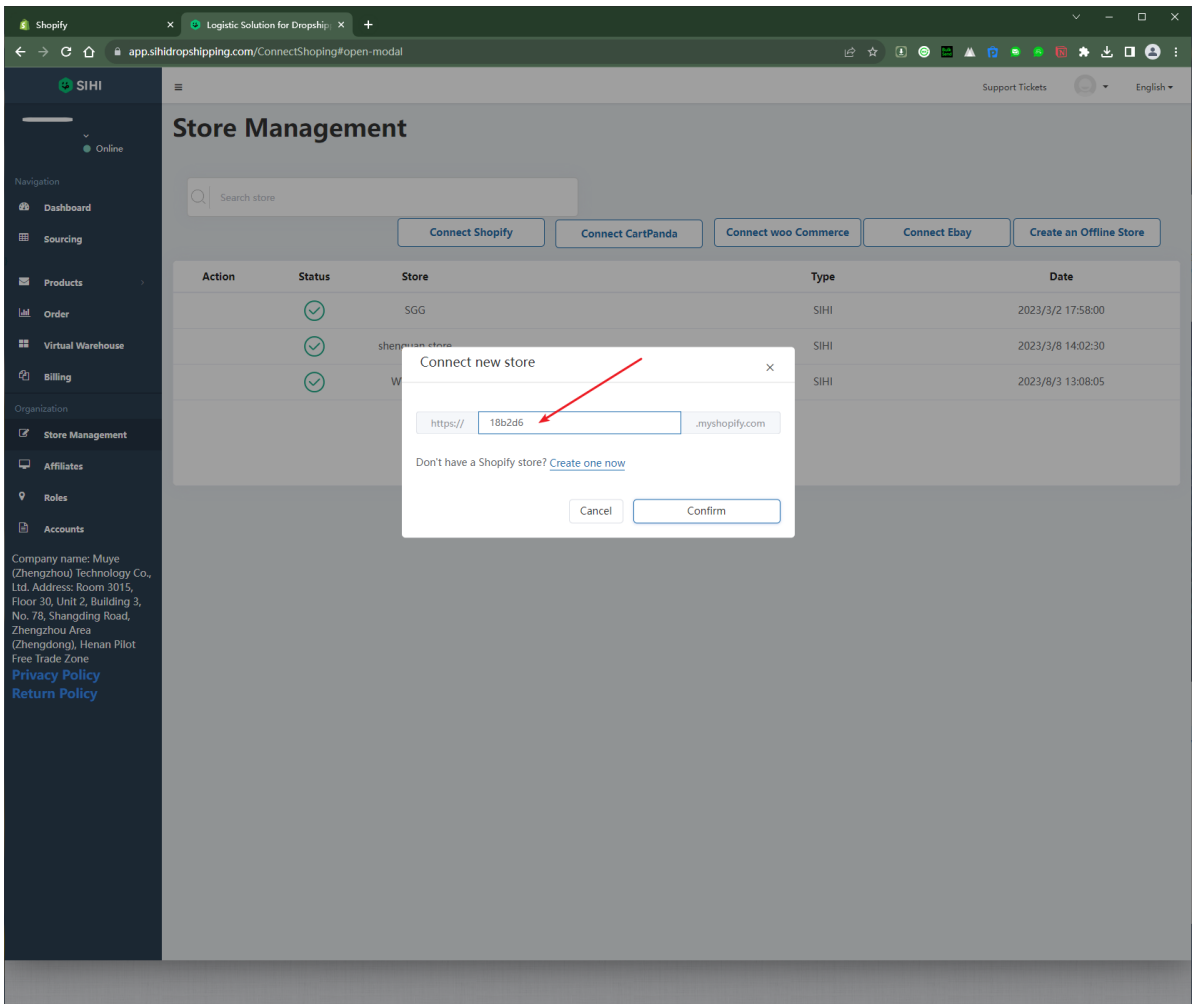

Enter your shopify store URL, click "**Confirm**" to bind, and wait for the page to jump to complete the binding.

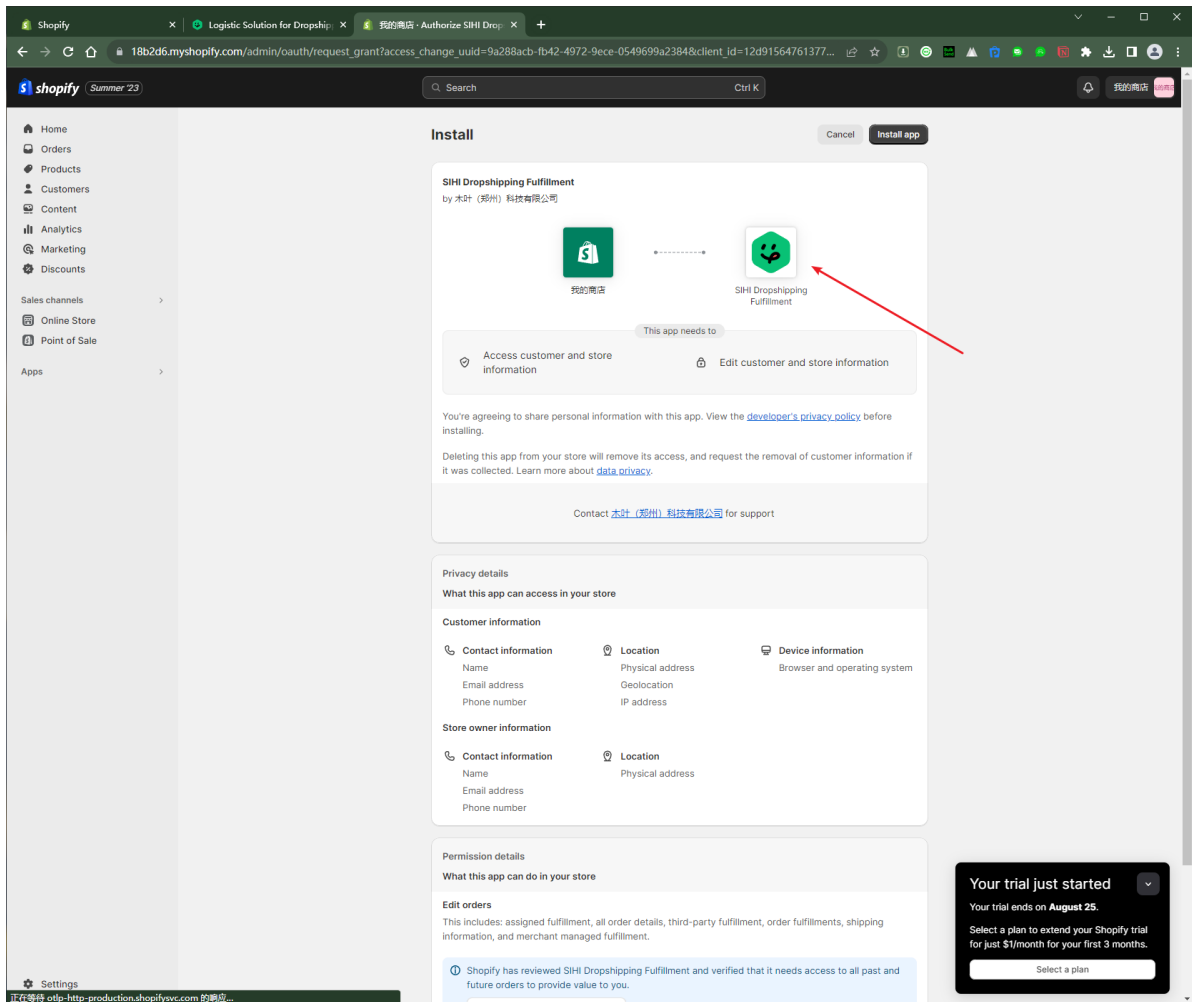

You can view your store URL on the shopify homepage

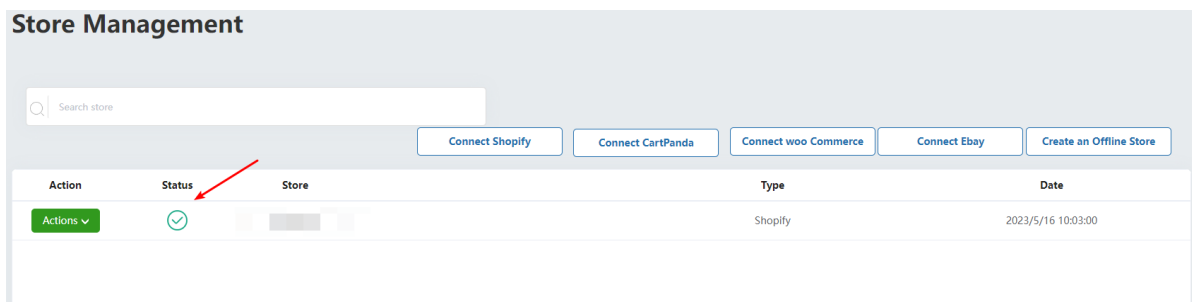

Enter the URL of the bound store

The browser page will jump to the Shopify App Market page, select "Install App" to install our SIHIDropshipping APP

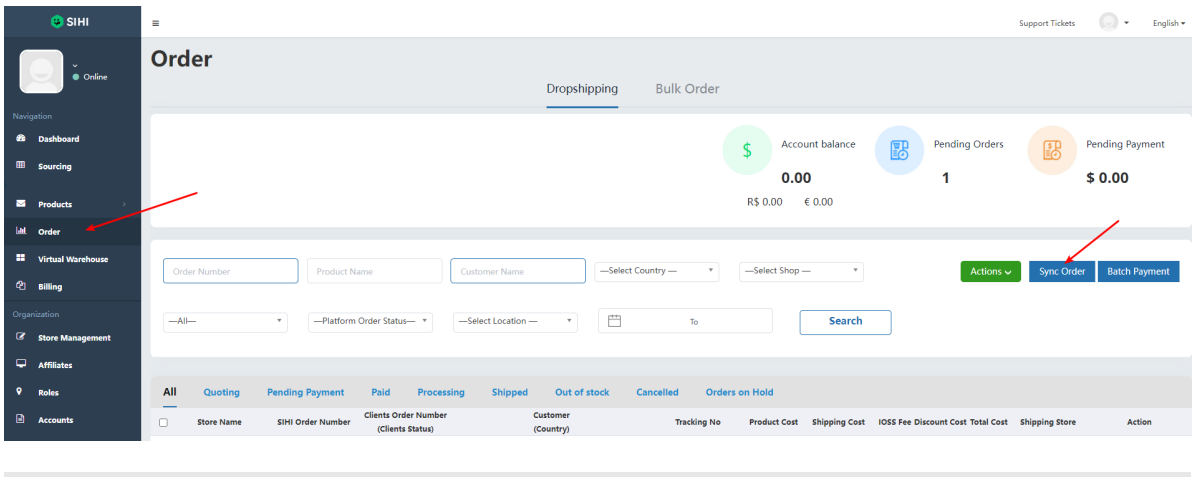

When "**Status**" is displayed as shown in the figure below, it means that the store has completed binding.

Shopify, Woo, CartPanda, Yampi platform order status

This refers to the order status on your shopify, Woo, and CartPanda platforms

Order Status	Explanation
pending	The payment for the order in the store has not been completed
paid	The payment for the order in the store has been completed
refunded	The order in the store has been refunded
canceled	The order in the store has been closed

In order to avoid order problems, when you process order payment in SIHI, please check whether your order has already been paid or whether it has been processed on other platforms. If you have any questions, please feel free to contact your account manager and they will solve all your problems!

Filter orders (Shopify, online store)

Enter the SIHI workbench, open the "Order" page, and view the tabs as shown in the figure.

Note: Use these tabs to quickly retrieve your orders from online stores such as Shopify. Let's learn how to use these tabs.

The screenshot displays the SIHI Order management interface. The main content area is titled "Order" and features tabs for "Dropshipping" and "Bulk Order". Below the tabs, there are summary cards for "Account balance" (538.65), "Pending Orders" (4), and "Pending Payment" (\$0.00). A search filter section contains 10 numbered input fields: 1. Order Number, 2. Product Name, 3. Customer Name, 4. Select Country, 5. Select Shop, 6. All, 7. Platform Order Status, 8. Platform Fulfillment SL, 9. Select Location, 10. To. Below the filters is a table with columns: All, Quoting, Pending Payment, Paid, Processing, Shipped, Out of stock, Cancelled, Orders on Hold, Pix Pay in progress. The table lists two orders with details like Store Name, SIHI Order Number, Clients Order Number, Customer (Country), Tracking No, Product Cost, Shipping Cost, IOSS Fee, Discount Cost, Total Cost, Shipping Store, and Action (Create ticket).

①: **Order Number**, enter your order number in **Shopify (or other stores)**, you can filter out the corresponding orders

②: **Product Name**, enter your product name in **Shopify (or other stores)**, you can filter out the orders containing the corresponding products

- ③: **Customer Name**, enter the customer name of your order in **Shopify (or other stores)**, you can filter out the orders of this customer
- ④: **Select Country**, select the country where your order on **Shopify (or other store)** belongs, you can filter out the orders in that country
- ⑤: **Select Shop**, select your store name, you can only display orders from the selected store
- ⑥: **All**, select whether or not the tracking number is included. You can filter out the orders in your store that have or have not updated the tracking number.
- ⑦: **Platform order status**, select your order status in **Shopify (or other stores)**, you can filter out the orders with the corresponding status. For example: Select "paid" to filter out orders that have been paid by customers in the store; select "cancelled" to filter out orders that have been closed by customers in the store
- ⑧: **Platform Fulfillment Status**, select the delivery status of your order on **Shopify (or other stores)**, and you can filter out orders with corresponding delivery status. For example: fulfilled and unfulfilled
- ⑨: Not used yet
- ⑩: Select "Start Time" and "End Time" to filter out orders placed within this time period.

Filter orders (SIHI)

Enter the SIHI workbench, open the "Order" page, and view the tabs as shown in the figure.

- Quoting:** Filter out orders that have not yet been quoted or are waiting for SIHI quotes
- Pending Payment:** Filter out the orders that SIHI has quoted and are waiting for your payment
- Paid:** Filter out orders that have been paid in SIHI
- Processing:** Filter out orders that are being processed by SIHI
- shipped:** Filter out orders with a shipping status of "shipped" or a tracking number

Out of stock: Filter out out-of-stock orders

Cancelled: Filter out the orders you have closed on SIHI

Order on Hold: Filter out orders that do not need to be processed by SIHI temporarily. This is an action initiated by you

Pix Pay in Progress: Filter out orders that are in the process of Pix Pay payment

Request a quote & select shipping channel

On the order, click "Ask For Quote" to initiate an inquiry request to SIHI.

After clicking, please contact your account manager to process the inquiry request.

The screenshot displays the SIHI Order Management System interface. The top navigation bar includes 'Support Tickets' and 'English'. The main header shows 'Order' with tabs for 'Dropshipping' and 'Bulk Order'. Below this, there are summary cards for 'Account balance' (0.00), 'Pending Orders' (1), and 'Pending Payment' (\$ 0.00). A search bar with filters for Order Number, Product Name, Customer Name, Country, and Shop is present. Below the search bar, there are filters for Platform Order Status and Location. The main content area features a table with columns for Store Name, SIHI Order Number, Clients Order Number, Customer, Tracking No, Product Cost, Shipping Cost, IOSS Fee, Discount Cost, Total Cost, Shipping Store, and Action. A red arrow points to the 'Ask For Quote' button in the Action column of the first row. Below the table, there is a product detail card for 'produtos para o cabelo' with a price of \$1.00 and a 'Cancel This Item' button.

After the quotation request is processed, the product price can be viewed on the order.

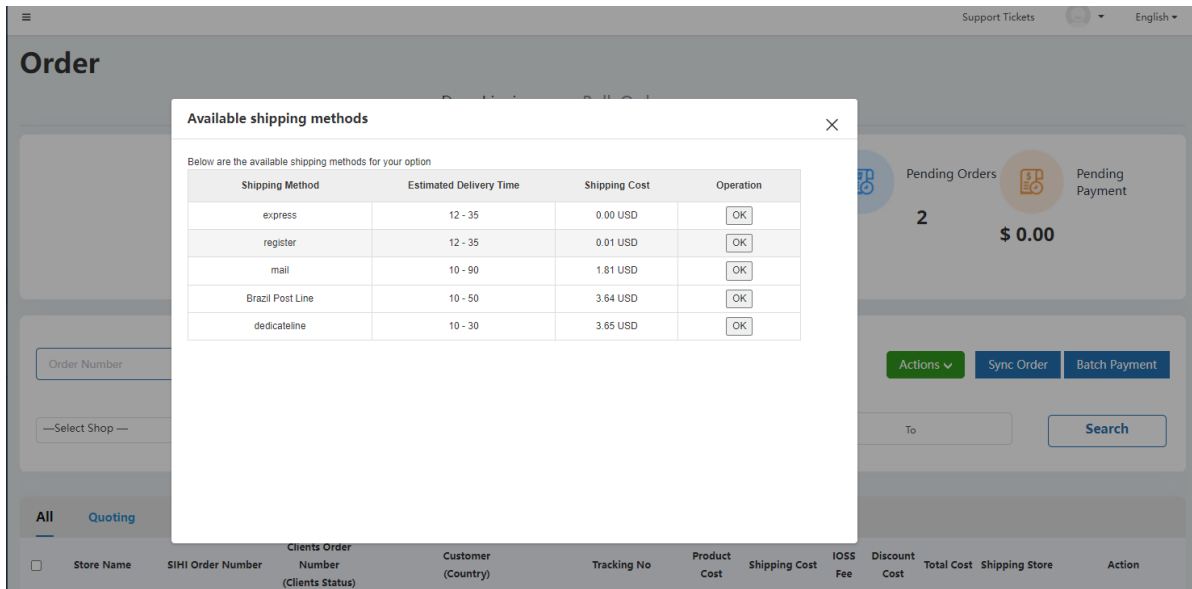

The screenshot shows the SIHI Order management interface. At the top, there are tabs for "Dropshipping" and "Bulk Order". Below these, there are summary cards for "Account balance" (0.00), "Pending Orders" (2), and "Pending Payment" (\$ 0.00). A search bar is present with fields for Order Number, Product Name, Customer Name, and Country. Below the search bar, there are filters for Shop, Order Status, and Location. A table of orders is displayed with columns: Store Name, SIHI Order Number, Clients Order Number (Clients Status), Customer (Country), Tracking No, Product Cost, Shipping Cost, IOSS Fee, Discount Cost, Total Cost, Shipping Store, and Action. The table contains one main order row and one item row. The item row shows "produtos para o cabelo" with a price of \$156.50. A red arrow points to the "[Please Select]" text in the Shipping Cost column of the main order row.

Click **"Please Select"** to select the logistics channel for transportation.

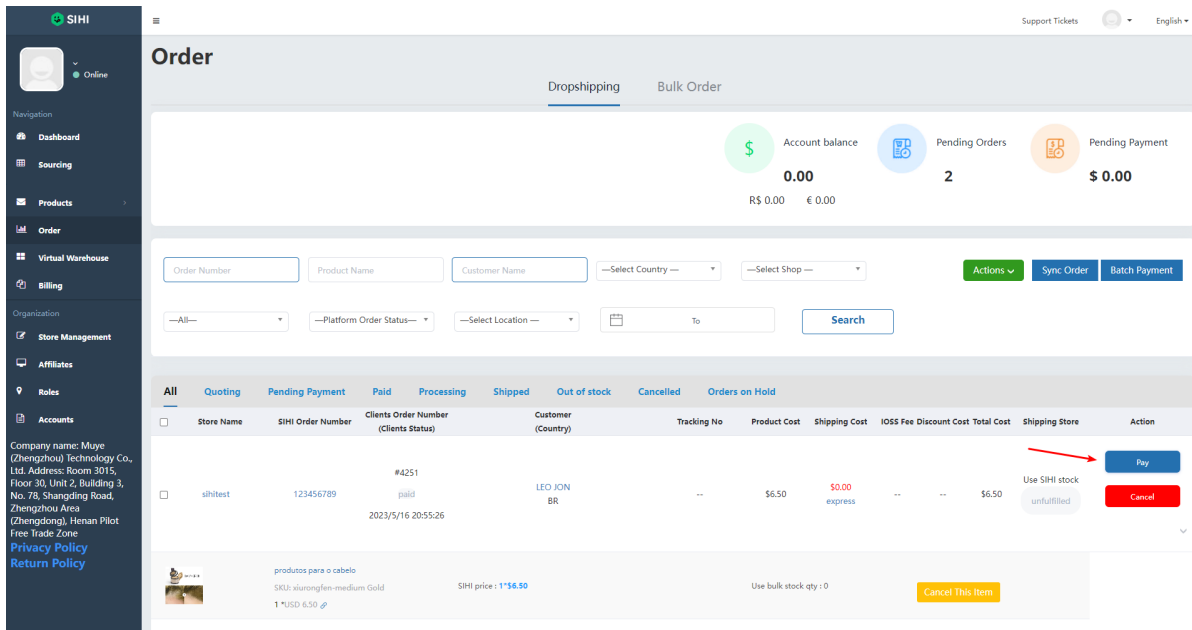

This screenshot is identical to the one above, but with a red arrow pointing to the "[Please Select]" text in the Shipping Cost column of the main order row in the table.

Find the right channel to process your order. We provide a variety of shipping channels. If the price communicated to you by your account manager already includes freight, you can choose **"Free Shipping" (0.00 USD)**.

*Tips: If your price does not include shipping costs, but you choose the free shipping channel, we will not be able to ship the goods for you. *

Check whether the total amount is correct. After confirming it is correct, you can click **"Pay"** to make payment.

Request quotes in batches

If you have multiple orders for products that need to be requested for quotations, you can choose to batch select the orders and click **"Action"**, click **"Ask For Quote"** to operate. *Please refer to the picture below:*

Cancel an order paid with "Pix Pay"

After generating a "Pix Pay" payment order, the order will enter the "Pix Pay in Progress" page.

1. You can close the payment process on the "Pix Pay in Progress" page and choose to use your balance to pay;

The screenshot shows a dashboard with search filters at the top: Order Number, Product Name, Customer Name, Select Country, and Select Shop. Below these are filters for Platform Order Status, Platform Fulfillment St..., and Select Location. A table lists orders with columns: Store Name, SIHI Order Number, Clients Order Number (Clients Status), Customer (Country), Tracking No, Product Cost, Shipping Cost, IOSS Fee, and Discount Cost. One order is selected, and a dropdown menu is open, showing 'Pix Pay in progress' highlighted. Other menu items include Ask For Quote, Cancel/Reset, Orders on Hold/Restore, Use Your Stock, Change Shipping Method, Cancel Payment, Export Order, Add Order, Upload Order, Merge Order, Pixpay, and Cancel Pixpay. A 'Complete pay' button is visible at the bottom right of the table.

2. If you accidentally close the QR code page and do not complete the payment, you can click "Complete Pay" to recall the QR code for payment. *Note: Please do not pay for orders twice. *

This screenshot shows the same table as above, but with the 'Complete pay' button highlighted in a red box. The table includes columns for Total Cost and Shipping Store. The selected order has a total cost of \$10.00 and is marked as 'unfulfilled'.

Please note: If you generate "Pix Pay" payment orders in batches, you only need to pay the total amount. Similarly, if the payment is not completed, you can click "Complete Pay" on any order in the batch order to recall the payment QR code for the entire order.

Balance recharge

Click "**Billing**" on the left to enter the billing page. Select "**EBANX**", select the country and amount for recharge, and then click "**Confirm**" to enter the recharge page.

The screenshot shows the 'Billing' page with a sidebar on the left containing navigation options like Dashboard, Sourcing, Products, Order, Virtual Warehouse, Billing, Store Management, Affiliates, Roles, and Accounts. The main content area shows 'Welcome to your billing overview. Pay here and view your payment records. At the same time, you can click the shopify icon to recharge.' Below this are logos for PayPal, EBANX, and Bank Transfer. An 'Account balance' section shows \$ 0.00, R\$ 0.00, and € 0.00. A modal window titled 'Ebanx' is open, showing a 'Recharge' form with fields for Country (Brazil) and Amount (USD 100). A note states 'The minimum payment is \$10.' Buttons for 'Cancel' and 'Confirm' are at the bottom of the modal.

Select the appropriate payment channel, then enter personal information, finally confirm the payment and complete the recharge.
